

**Robert T. Mitchell**  
**President, Rowe-Mitchell Construction**  
**Sarasota, Florida**

Robert (Bobby) has over twenty-five years of experience in all phases of commercial construction projects, including extensive hands-on field experience with building trades. After graduating from The University of Florida School of Building Construction in 1984, Bobby started his career at Rowe-Mitchell as a Laborer and worked his way up to his current position as president and principal stockholder. Bobby is a native of Sarasota and is proud of Rowe-Mitchell's 52 year commitment to Southwest Florida's building construction industry.

**1997 - Present**

**Principal - 100% stockholder**

Solely responsible for continued success and profitability of company after retirement of the founding partner (Thomas E. Mitchell). Manager of construction operations, client contract negotiations, estimating, review of corporate financials reports, insurance procurement, project management, and major equipment procurement.
